

IN THE UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION

Jennifer Knight

Case No. 2:22-cv-03036

Plaintiff,

Judge Morrison

v.

UNOPPOSED MOTION TO  
CONTINUE PRETRIAL CONFERENCE

City of Columbus, et al.,

Defendants

Plaintiff moves the Court to continue the Pretrial Conference scheduled for Sept. 13, 2022, for at least 60 days. Defendants' counsel does not oppose this Motion.

Based upon post-filing developments, Plaintiff is evaluating amendment of the instant complaint. Immediately following the filing of the Complaint, Plaintiff was notified that she was being "departmentally charged", the highest level of discipline, over an infraction that based on present information has never been the predicate for discipline in the history of the Division of Police. As this process moves forward, it appears to be retaliation by Defendants against the Plaintiff for filing the Complaint. Accordingly, Plaintiff is evaluating the propriety of the amending the complaint and has delayed serving same on Defendants.
